THE MARKETPLACE WE VISIT ON YOUR BEHALF

We visit the marketplace on your behalf and provide restricted advice.

- After we have assessed your needs, we will advise and make recommendations for you, but will only offer advice from a panel of leading investment and insurance companies.
- Our recommendations will be made following an analysis of our entire range of products.
- We will be happy to provide you with a list of the companies on the panel at your request.

The financial world can be extremely complex. Analysing and monitoring the enormous diversity of products, funds, wrappers and platforms is time-consuming and costly – a cost that ultimately finds its way to you, the end consumer.

Having worked with a wide range of clients in all areas of financial planning, it became clear that using a tailored range of handpicked solutions could help with this.

Together with some of the most modern and efficient products available, this has proven to be the best way to cater for many of our clients’ financial needs.

So, by restricting our advice service to a carefully chosen range of products and providers, we are able to remove that complexity and therefore keep costs low, and focus on providing great service.

Furthermore, if an occasion ever arises where we are unable to meet any specific need you might have via our chosen providers, we are able to search the broader market for an appropriate solution.

We believe this approach offers our clients the best of both worlds: a first-class range of providers and products designed to meet the vast majority of their needs at a reduced cost, with the capability to look more widely should the need arise.

The analysis is carried out centrally at Intrinsic to ensure the offer is of the highest quality, and that it remains up-to-date and appropriate to meet your needs both now and in the future.
We aim to provide a fully comprehensive service to all of our clients

We are confident that we will deliver a high-quality service that will be among the best in the financial services industry

We continually strive to improve our professionalism through personal development

We follow the principles of Treating Customers Fairly set out by the Financial Conduct Authority

If any material interest or conflict of interest should arise in business that we are arranging for you, we will let you know and ask for your consent before we carry out your instructions

Our processes and procedures follow the guidelines as laid down by our business support network – Intrinsic Financial Planning Limited, which is authorised and regulated by the Financial Conduct Authority

We like to treat our clients as we would expect to be treated. We like to hear how we’ve performed so please feel free to let us know. If you are ever dissatisfied with the service you’ve received we will do our best to put it right.

If you are unhappy with our service

If you have a complaint about your adviser, or any financial advice you have received from your adviser, please contact us:

Complaints Department, Intrinsic Financial Services Limited, Wiltshire Court, Farnsby Street, Swindon. SN1 5AH (or phone 01793 647400).

If you cannot settle your complaint with us, you may be entitled to refer it to the Financial Ombudsman Service.
It's all about you

This is the process we follow to make sure you get the quality of advice you need.
OUR PROCESS FOR PROVIDING QUALITY ADVICE

1. UNDERSTANDING YOU

By gathering information from you we will find out about any plans you already have in place.

Then by exploring your attitude to risk and return, and your hopes and aspirations, we will build a picture of what you want to achieve.

At this stage you will find out what to expect from us and how you will benefit from using us.

We do not usually charge a fee for this stage.

2. PLANNING

We’ll explore and research various scenarios to make the best use of your existing plans.

We’ll then recommend how you can build on your existing plans so you give yourself the best chance of achieving your goals.

3. IMPLEMENTATION

Like most of our clients, you will probably prefer us to do the necessary work to put your plan into action. This will save you a lot of time and effort and ensure your plans are set up correctly. We will charge you a fee for doing this, which we will explain to you.

Alternatively, you may decide to implement our recommendations yourself, in which case we just charge you for our time and advice.

4. REVIEW

Nothing stands still, so it makes sense to review your plans regularly. We suggest you do this annually. This way you will find out if your plans are affected by changes to legislation or taxation.

You will also hear from us if we have something that we feel will interest you.

You will receive clear details on what the total charge is, the advice or service it relates to, how we’ve calculated it and when you need to pay.

You are not obliged to implement any of our recommendations. However, we may still charge a fee for our advice.
FINANCIAL PARTNERS FOR LIFE – OUR ONGOING SERVICE

You do not have to choose an ongoing service with us, although we believe you should review your plans regularly.
You decide the level of service you need and how often you need it. We will confirm this to you in writing, explain the fees involved and how and when you need to pay them.

Most of our clients like to review their plans once a year to make sure they’re still on track to meet their goals.

Reviewing your plans frequently means you don’t miss out on any of your allowances and you find out if you are affected by any changes in legislation or taxation.

1. Keeping you informed: We will only send you information which we feel is useful to you

2. Plan review and valuation milestone: A milestone check ensures your plans are still on track to achieve your goals

3. Personal safety net: This ensures that your income and assets are not affected by changes in taxation or legislation.

We will confirm your options for review in our Terms Of Business and Authority To Proceed documents.
YOUR PEACE OF MIND & PROTECTION

HOW TO PAY FOR OUR SERVICES

We want to be clear …

It is important that you understand how you will pay us for our services

■ Choice – you choose how you pay us, whether you use our ongoing service or just use us for a one-off financial need

■ Options – we will explain your payment options to you and answer any questions you may have

■ Agreed advice fees – we will not charge you until we have agreed with you how we will be paid

■ Transparent – you will receive a clear explanation of our total fee, the advice or service to which it relates, how we’ve calculated it, and when you need to pay it

■ VAT – because we provide an intermediation service, no VAT is due. However, there may be other occasions when VAT is due. If so, we will tell you

■ Client money – we never handle cash.

You are not obliged to implement any of our recommendations. However, we may still charge a fee for our advice.

Here we set out the various ways in which we might receive payment for our advice and services.

Paying us directly

We may charge you a fee for advice. We may also receive commission from an insurance company or mortgage lender.

We explain our fees in our Terms of Business document.

We will agree with you in advance the fees we will charge. We will set this out in our Authority to Proceed document.

You may pay us by cheque or bank transfer.

Provider facilitation of your fee

If you decide to follow our recommendation and invest, you may authorise the investment provider to deduct our fee for advice from your investment.

You may also pay any ongoing service charges from your investment.

In some circumstances this could create a capital gain and a possible tax liability. We would take this into account in our recommendation.

Provider payments to us

We no longer receive commission for setting up regulated investment products. However, we may receive commission on certain non-regulated products and mortgages.

If we do receive commission we will tell you how much in a Key Facts Illustration.

Introducer payments

We may also receive an introducer fee, should we pass your specific enquiry on to a specialist professional adviser. If this happens we will tell you.
THE VALUE THAT WE ADD

WHEN DECIDING THE FEES WE CHARGE FOR ADVICE WE WANT TO BE SURE YOU RECEIVE VALUE FOR MONEY AND THAT THE SOLUTIONS WE RECOMMEND ARE LIKELY TO DELIVER YOUR OBJECTIVES.
The value that we add

As an example of the value of advice, research* shows that the average UK income in retirement is £19,000 per annum. However, the average for those who set goals working with a financial adviser is £26,000. Put another way, by not working with a financial adviser, a client can potentially lose out on an extra 36.8% or as much as £157,000 over the course of a 21-year retirement.

No two clients, or recommendations that we make, are the same. That said, our experience means that we know what the minimum time required is likely to be in core advice areas, the associated running costs of our business and the implementation costs around enacting our advice. This may be represented to you in our fee menus by certain areas having a minimum figure.

Besides providing leading-edge investment and insurance solutions, our clients tell us that we add value to them at a review by:

- Checking how any personal changes in income or capital wealth may impact their current provisions or tax situation
- Using their existing plans first before starting a new plan
- Explaining in simple terms how welfare or taxation changes may affect them
- Reminding them so that they don’t miss out on valuable allowances such as ISAs
- Making sure they get back money they may be entitled to, such as tax relief on pension contributions
- Rebalancing their assets so they’re always comfortable with the risk they take when investing, while ensuring they don’t miss out on potentially better returns
- Reassuring them they are not taking unnecessary risk with their investments
- Structuring their investments in such a way that they don’t pay unnecessary tax

Delivering real value for money
Intrinsic uses its buying power to drive down the costs of its chosen providers. This means you get value for money.

Intrinsic also negotiates exclusive products and features that you will not find anywhere else.
